

# Gliding nozzles

The **enz golden jet®** gliding nozzles are designed for pipes of  $\varnothing$  40 - 400 mm. The gliding nozzles have the unique function to work close along the pipe walls. As a result the nozzle cleans very efficient.

These tools work with small water volumes. About 10 to max. 60 l/min are enough for cleaning pipes up to  $\varnothing$  400 mm.

## Applications

- for special applications with small water volumes

Working pressure up to 1000 bar

## Gliding nozzles

Gliding nozzles 1/8" - 3/8"
